

CLOSING YOUR OLD ACCOUNT

Before you close your old account, make sure to leave enough money to cover any outstanding checks, automatic withdrawals and debit transactions.

Once all of these outstanding charges have been paid, ask your previous bank or credit union to send your remaining balance(s) directly to your new account with us. Then, destroy all of your old checks, ATM cards, debit cards and deposit slips.

To make switching even easier for you, here's your new CS Bank Account Number and Routing Number:

CS Bank
Routing #: 082904726

CS Bank
Account #: _____

You can find your previous routing and account number at the bottom of one of your old checks. Bank routing numbers are the first nine digits for the series, followed by the account number and individual check numbers.
